**[Verse 1]**

Feels like the same today  
Ten thousand horses drag me down  
Seems like the same you say  
Ten thousand voices crying out  
You put on yourself, you'll see  
There's nothing left at all  
Ten thousand fingers dragging me down down down

**[Chorus]**

Never want to slow down  
I keep rollin' on  
Never want to slow down  
What I feel and what I know  
It's all about to change

**[Verse 2]**

Seems like the same your ways of moving on  
Ten thousand lies, you're washing your hands of  
everything else  
So put on yourself you'll see  
There's nothing left at all  
Ten thousand stares they're bringing me down down down

**[Chorus]**

Never want to slow down  
I keep rollin' on  
Never want to slow down  
What I feel and what I know  
Oh it feels like the strain  
That everybody's giving to me  
Won't let my hands get tied  
I'm gonna ride it all out  
Never gonna slow down this time

**[Bridge]**

It's all about to change  
Change from the past for knowledge tomorrow  
Carries me on my way  
I feel you pressing  
These words left unspoken  
Change for the sake, change for the sake of change

**[Solo]****[Verse 2]**

Seems like the same you say  
Ten thousand cracks you're walking on  
Feels like the same to say  
Ten thousand voices calling on  
You put on yourself  
You'll see there's nothing left at all  
But ten thousand horses bringing me down down down

**[Chorus]**

Never want to slow down  
I keep rollin' on  
Never want to slow down  
What I feel and what I know  
Oh it feels like the strain  
That everybody's giving to me  
Won't let my hands get tied  
I'm gonna ride it all out  
Never gonna slow down this time  
It's all about to change
