**[Verse]**

You're harder than stone  
We lead from your throne  
We stand on the fault of the battle lines

**[Verse]**

With a hand on your chest  
We die with the rest  
We end with the wool still over your eyes

**[Chorus]**

When you start all over  
When you start all over  
No ones feels the way we used to feel

**[Verse]**

When you start all over  
Yeah you start all over  
Coming down from where we used to be

**[Chorus]**

So Fire Away  
Whatever you say-yeah  
Will only lead, lead me from the masquerade

**[Chorus]**

Fire Away  
Whatever you say-yeah  
Will only lead, lead me from the masquerade

**[Chorus]**

The hands that you shake  
Can never create  
The wings that you need when you want to fly

**[Verse]**

That you wanted to see  
Has left you deceived  
As you stand on the edge, to take your flight

**[Chorus]**

When you start all over  
You start all over  
And no ones feels the way we used to feel

**[Verse]**

I say you start all over  
You start all over  
Coming down from where we used to be

**[Chorus]**

So Fire Away  
Whatever you say-yeah  
Will only lead, lead me from the masquerade

**[Chorus]**

Fire Away  
Whatever you say-yeah  
Will only lead, lead me from the masquerade

**[Verse]**

And when its over  
And when its something down will you be saved?  
Cause no ones left to save the ones  
Who played, to save the ones who played

**[Chorus]**

You start all over  
You start all over  
And no ones feels the way we used to feel

**[Chorus]**

You start all over  
You start all over  
Coming down from where we used to be

**[Chorus]**

So Fire Away  
Whatever you say-yeah  
Will only lead, lead me from the masquerade

**[Chorus]**

Fire Away  
Whatever you say-yeah  
Will only lead, lead me from the masquerade

**[Outro]**

Lead me from the masquerade  
Lead me from the masquerade  
Lead me from the masquerade
