[Verse 1]

Do you think I'm faking
when I'm lying next to you?
Do you think that I am blind,
there's nothing left for me to lose?

Must be something on your mind
Something lost and left behind
Do you know I'm faking now?
Do you think I'm faking
when I'm lying next to you?

Do you know that I am blind
to everything you ever do?
Must be something on your mind
Something lost for me to find.
Do you know I'm faking?

[Chorus]

Then she told me she had a gun

it sounded like she'd used it once before on him

Then she told me she had a gun

it sounded like she'd used it once before, oh man

[Bridge]**[Verse 2]**

I guess you know I'm faking
when I tell you I love you
I guess you know that I am blind
to everything you say and do

Must be something on my mind
There's nothing left for me to hide
Do you know I'm faking?

[Chorus]

Then she told me she had a gun

it sounded like she'd used it once before on him

Then she told me she had a gun

it sounded like she'd used it once before, oh man

[Bridge]

We have to succumb to

the feelings we can never face I need you,
I breathe you I can't go through this all again

We have to succumb to

The feelings we can never face I need you,
I breathe you I can't go through this

Then she told me she had a gun

it sounded like she'd used it once before

[Chorus]

Then she told me she had a gun

it sounded like she'd used it once before on him

Then she told me she had a gun

it sounded like she'd used it once before, oh man
