[Verse 1]

Life it seems to fade away
Drifting further everyday
Getting lost within myself
Nothing matters no one else
I have lost the will to live
Simply nothing more to give
There is nothing more for me
Need the end to set me free

[Verse 2]

Things not what they used to be
Missing one inside of me
Deathly loss this can't be real
Cannot stand this hell I feel
Emptiness is filling me
To the point of agony
Growing darkness taking dawn
I was me but now, he's gone

[Verse 3]

No one but me can save myself, but its too late
Now I can't think, think why I should even try

[Verse 4: James Hetfield]

Yesterday seems as though it never existed
Death greets me warm, now I will just say goodbye
Goodbye
