[Verse 1]
Remind me I'm golden
The fortress above the sun
Why don't you spend nowhere with me
Follow the river and the path of the ones
Write our names on the shore

[Pre-Chorus]
Forever I can't find
Struggling in a world undefined
Decide how you want it to be
I'm not eternity

[Chorus]
Fly into the distance
Disappear for awhile
I can't make sense of this
But we're here today feeling alive

[Verse 2]
It starts to fall apart
Let me take control
(Reminisce)
The days and nothing more
Something I will find again
(Deliver us)
Can't hear the words you say

[Pre-Chorus]
But it doesn't really matter
I'll give the world to you if you just

[Chorus]
Fly into the distance
Disappear for awhile
I can't make sense of this
But we're here today alive

[Guitar Solo]

[Chorus]
Fly into the distance
Disappear for awhile
I can't make sense of this
But we're here today alive
