[Chorus]
C
I'm looking at you through the glass
D
Don't know how much time has passed
Em
Oh God, it feels like forever

But no one ever tells you
C
That forever feels like home
D Em
Sitting all alone inside your head

C
Cause I'm looking at you through the glass
D
Don't know how much time has passed
Em
All I know is that it feels like forever

But no one ever tells you
C
That forever feels like home
D Em
Sitting all alone inside your head

[Verse 1]
C
How do you feel?
D
That is the question
Em
But I forget

You don't expect an easy answer
C
When something like a soul
D
Becomes initialized
Em
And folded up like paper dolls and little notes

You can't expect a bit of hope
C
And while you're outside looking in
D
Describing what you see
Em
Remember what you're staring at is me

[Chorus]
C
Cause I'm looking at you through the glass
D
Don't know how much time has past
Em
All I know is that it feels like forever

And no one ever tells you
C
That forever feels like home

[Chorus]
C
I'm looking at you through the glass
D
Don't know how much time has passed
Em
All I know is that it feels like forever

But no one ever tells you
C
That forever feels like home
D Em
Sitting all alone inside your head

C
Cause I'm looking at you through the glass
D
Don't know how much time has passed
Em
All I know is that it feels like forever

And no one ever tells you
C
That forever feels like home
D Em
Sitting all alone inside your head

[Bridge]
C D Em
And it's the stars...the stars...that shine for you
C D Em
And it's the stars...the stars...that lie to you, yeah yeah
C D Em
And it's the stars...the stars...that shine for you
C D Em
And it's the stars...the stars...that lie to you, yeah yeah

[Chorus]
C
I'm looking at you through the glass
