[Verse 1: James Hetfield]

Catch a fire and burn all the misery
Foul fingers spin mob mentality
Anger on the rise as the flames grow higher
Choke on the smoke of the funeral pyre
Backfire

[Pre-Chorus: James Hetfield]

Killing all we've learned
History will burn
Burn it

[Chorus]

Smile as it burns to the ground
The perfect don't want you around
Question yourself, you may learn
Who's the next witch you must burn?
You must burn!

[Verse 2: James Hetfield]

In the name of hell, henchmen to conspire
Black figures loom as a dark desire
Inquisition served, build your enemy
Tied to the stake, torching heresy
Flame out

[Pre-Chorus: James Hetfield]

Killing all we've learned
History will burn
Burn it

[Chorus: James Hetfield]

Smile as it burns to the ground
The perfect don't want you around
Question yourself, you may learn
You are the witch, you must burn
You must burn!

[Bridge: James Hetfield & Robert Trujillo]

In the heat of the night
In the moon's shining light
Feed the appetite
In the heat of the night
In the moon's shining light
Feed the appetite

[Guitar Solo]**[Chorus: James Hetfield]**

Smile as it burns to the ground
The perfect don't want you around
Question yourself, you may learn
You are the witch, you must burn
You must burn!

[Outro: James Hetfield]

You must burn!
You must burn!
You must burn!
