

Duergar Citizen

DUERGAR CITIZEN

CITIZEN • GRACKLSTUGH • UNDERDARK

A hardened duergar commoner, shaped by a lifetime in the subterranean city of Gracklstugh. He toils, trades and endures, keeping the city's machinery and forges running. Wary and practical, he trusts little but routine, hard work, and the company of his fellow duergar. Age and bitter experiences have left him gaunt, scarred and perpetually grim, but still resilient.
