

Intellect devourer

INTELLECT DEVOURER / HUNTER

Aberration • Lawful Evil • Small

An aberrant psionic entity shaped like a walking brain, the intellect devourer is a vile creation and servant of the mind flayers. It prowls the dark realms of the Underdark, hunting intelligent prey to feast upon their minds and harvest their knowledge. With its psychic might, it can invade and possess the bodies of the fallen, using them as a living disguise to stalk and destroy.
