

Yuck Yuck

Goblin guide of the Silken Path. Yuck Yuck is one half of the goblin guiding pair that led the party through the dangerous web-strung passages of the Silken Path. Practical, experienced, and considerably more knowledgeable about giant spider territory than anyone sensible would want to be, he helped navigate the party through unstable bridges, ruins, ambushes, and hunting webs before completing the six-day contract and departing.

YUCK YUCK / GOBLIN GUIDE

Guide • Silken Path • Goblin Scout

Yuck Yuck is a coin-motivated goblin guide of the Silken Path. Cagey but useful, he knows tunnels like the back of his hand—and is quick to bargain. He prides himself on knowing which web-wrapped bridges hold... and which ones don't.
