FARASTU DEMODAND

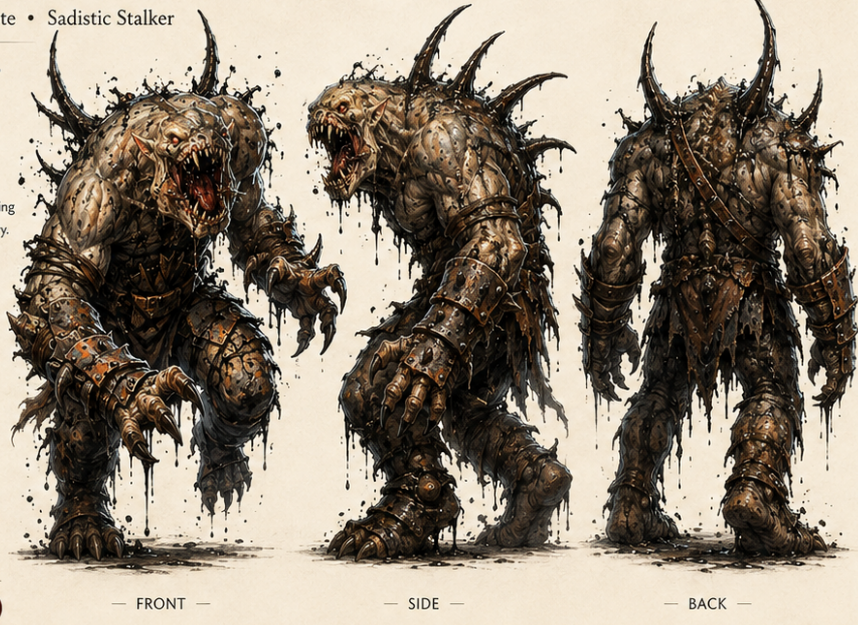

Tarry Fiend • Lower Planes Brute • Sadistic Stalker

A loathsome demodand from the prison planes, the Farastu Demodand is wreathed in tar-like filth and dripping with malice. Its flesh weeps black ooze, and its eyes burn with cruel hunger. Born to torment and break, it stalks the realms seeking the weak and the bound. It delights in ambush, in the fear of its prey, and in overpowering foes through brute force and unrelenting savagery.
